OBJECTIVE

Dedicated BCA graduate aspiring to build a rewarding career in software development and IT. Aiming to leverage my academic background, programming expertise, and commitment to continuous learning to contribute to the success of a dynamic organization. Seeking a challenging position that fosters professional growth and allows me to make significant contributions to the field of Computer Applications.

ACADEMIC PROJECT

- Vrinda store
Project Scope – Vrinda Store wants to create an annual sales report for 2022. So that, vrinda can understand their customers and grow more sales in 2023.
I created an annual report for Vrinda Store for the year 2022, focusing on customer sales data. The report includes data cleaning, processing, analytics, and visualization, along with an interactive dashboard for insights into 2023 sales.
